BASIC STATISTICS ON HAJJ

HAJJ RESEARCH CENTRE
KING ABDULAZIZ UNIVERSITY, JEDDAH
KINGDOM OF SAUDI ARABIA

Dated: 6th December, 1978

Inspection of Section 1 of this report on Basic Statistics on Hajj will reveal that there are several collections of Base information on the Pilgrimage. Many of these sources are however not available for general inspection without prior permission from the various Ministries and Organisations, and sometimes reports are available only in Arabic. The Hajj Research Centre, King Abdulaziz University, therefore decided to collate all material published by the Government for public use in the period 1385 AH to 1398 AH and present the most important summary tabulations in one document which the Centre hopes will prove most useful for any persons wishing to make a preliminary appraisal of the basic statistics of Al-Hajj.
